IGNITE Entrepreneurship & Venture Creation— Exam & Evaluation Guidelines for Faculties

As per University guidelines, the **Entrepreneurship Course (100 Marks)** will be evaluated as follows:

1. Final University Exam (Pen & Paper)- 70 Marks

Conducted as a **written examination** at the end of the semester.

Question paper will be based on the syllabus and course modules.

*On the Wadhvani Portal, students can find all module content, lessons, and glossary. Check the Concepts Booklets for each lesson, which can also be **downloaded as a PDF**.*

2. Internal Marks (30 Marks)

Internal marks will be awarded based on **student performance on the Wadhvani Portal (Venture Activities)**

Component	Marks	Time Frame
Wadhvani Platform – Milestone 1	5 Marks (upon completion)	Mid-Semester / Ongoing
Wadhvani Platform – Milestone 2	5 Marks (upon completion)	Mid-Semester / Ongoing
Wadhvani Platform – Milestone 3	10 Marks (upon completion)	Before Final Exam
Wadhvani Platform – All 3 Quizzes	5 Marks (upon <u>attempting</u> all 3)	During Course
Attendance & Class Participation	5 Marks	Throughout Course
Total Internals	30 Marks	

NOTE: Milestone 1, 2 & 3 evaluations must be done by the Faculty. Use the **Milestone Score as the Mid-Semester Score**.

Release Milestone

Title	Status	Release Date	Due Date	Submissions
Ignite Venture Milestone 1	Not Released	Release Milestone		
Ignite Venture Milestone 2	Not Released	Release Milestone		
Ignite Venture Milestone 3	Not Released	Release Milestone		

Students can submit a milestone only when the faculty releases it.

To release a milestone, faculty must log in to their Faculty Login, go to their respective cohort, and **click on the Release Milestone tab.**

The screenshot shows the Wadhvani Ignite India 5.0 dashboard. The main content area is titled "Release Milestone" and contains a table with three rows of milestones. A modal window titled "Release Milestone" is open, allowing the user to set dates for a milestone. The modal includes fields for "Release Date", "Due Date", and "Evaluation Deadline Date", each with a date picker and a time zone selector (UTC+05:30). There is also a checkbox for "Enable peer reviews" and "Close" and "Release" buttons at the bottom.

Title	Status	Action
Ignite Venture Milestone 1	Not Released	Release Milestone
Ignite Venture Milestone 2	Not Released	Release Milestone
Ignite Venture Milestone 3	Not Released	Release Milestone

Click on "Release Milestone" and set the release dates:

- 1. Release Date:** The date you want the Milestone submission to open.
- 2. Due Date:** The last date for student teams to submit their Milestone.
- 3. Evaluation Deadline:** The last date for faculty to evaluate the student teams.

Peer Review - Enabling peer review allows students to assess other teams' work. Faculty can choose whether to enable this feature.

Faculty must release Milestone 1, Milestone 2, and Milestone 3 separately.

To extend the due dates after release, go to the "Release Milestone" tab, click on "Submissions," and select the teams individually and extend.

Ignite Venture Assessment - Milestone 1

Dear Faculty, You're at the first and important step of the evaluation process! Our learners eagerly await your feedback so they can improve on their venture activity. Please review the completed Practice Venture presentation thoroughly and evaluate it based on the parameters outlined in the evaluation rubric provided. Kindly provide detailed and constructive feedback for each parameter - this will help students understand their strengths, identify areas for improvement, and it will guide them for their next milestone. Thank you for your dedication to guiding and inspiring the learners!

*1. Problem/ Opportunity Statement

- (missing) is missing
- (ambiguous) is ambiguous and difficult to understand
- (basic understanding) provides general idea of problem/ opportunity but lacks clear definition or specific detail
- (well-defined) clearly defines & focuses on problem/ opportunity, but lacks in-depth specificity
- (highly specific) highly specific & clearly defined problem/ opportunity, with no ambiguity

*2. What is the one thing that the students need to do to improve their output on Problem/ Opportunity Statement?

About this course

ABOUT IGNITE

The Ignite entrepreneurship program is a structured 14 week journey and stands out for its systematic, personalized, real-world and experiential approach to undertaking a 'Venture Journey' while learning.

It helps you, the learners, mimic the journey of a real start-up by embarking on a Problem discovery, Venture Idea development and validation, and initial prototype design journey in the context of today's industries and technologies and the opportunities within.

The focus for you is on fulfilling the 'Venture Journey' successfully; you learn ONLY for the purpose of doing that. The learning packages that you will use leverage micro-learning and interactive engagement formats like simulations and case studies never have to go through reams of paper or scores of websites to get what you want.
